SUMMARY

A passionate Front-End Developer pursuing a Bachelor's in Computer Science Engineering. With a strong foundation in modern technologies like React and Typescript and experience in developing user-centric solutions, I specialize in creating impactful applications. Proven ability to solve complex problems, meet deadlines, and deliver scalable projects.

SKILLS

- **Full Stack Development:** Learning MERN Stack (MongoDB, Express.js, React.js, Node.js), and have proficiency in React, Tailwind CSS and Typescript
- **Programming Languages:** Python, Java, C, C++, JavaScript, TypeScript
- **Data Structures & Algorithms:** Proficient in Java; solved 300+ problems on LeetCode, GeeksForGeeks and HackerRank
- **Database Management:** MySQL and DBMS ; experienced in data modeling and querying datasets
- **Soft Skills:** Time Management, Problem-Solving, Leadership Skills, Communication Skills

EXPERIENCE

- **Front-End Web Developer Intern** • CyberXield • Jan 2024 – Feb 2024
 - Developed and maintained web applications of brand using HTML, CSS and JS. Implemented key features that improved user engagement by 20%.

PROJECTS

- ★ **NotesNeo** (notesneo.vercel.app): Developed a React and TypeScript-based personalised education platform providing semester notes for MD University students, serving 1000+ users. Integrated Firebase for secure authentication and seamless data storage, reducing access issues by 30%.
- ★ **NeoCode** (neocoding.vercel.app): Engineered a DSA sheet management tool with React and TypeScript, enabling users to track and manage 500+ coding problems. Improved user retention by 20% through an intuitive and engaging interface.
- ★ **Portfolio Website** (deepakmodi.vercel.app): Designed and deployed a personal portfolio showcasing 5+ projects using React and TypeScript. The responsive UI and great user interface resulted in a 40% increase in recruiter engagement.

EDUCATION

- **Bachelor of Technology (B.Tech) in Computer Science Engineering (MDU Rohtak)**
St. Andrews Institute of Technology and Management (2022–2026) • Achieved 76% so far • Curr in 3rd Year
- **Senior Secondary Education**
Inter Science College, Hazaribag (2019–2021) • Grade: 88% • PCM with Computer Science
- **Secondary Education**
St. Pauls School, Hazaribag (2019) • Grade: 85.6%

ACHIEVEMENTS

- **Winner of College Tech Exhibition Innoviz 2023:** Led a team of 6 to develop the "Anti-Sleep Accident Preventor" hardware-based project, aimed at preventing accidents caused by drowsy driving. Presented the project at College Tech Exhibition Innoviz 2023 and won the First Prize.
